Consent to Treat a Minor Without a Legal Guardian Present

I understand that if I am unable to accompany my child during their appointment at Germantown Dental Village, my child needs to be accompanied by a responsible adult of at least 18 years old with a valid photo ID.

I understand that if I am unavailable to be reached during the time of my child's appointment, the person accompanying the minor (patient) can make and consent to all medical and dental treatment decisions, including any medical emergencies, if any, on my behalf. I give permission to the following person/ people to accompany and make decisions on behalf of my child.
